Terms & Conditions

All equipment on hire remains the property of Better Mobility Limited

The hirer agrees to pay for all damage caused whilst on hire other than normal fair wear & tear. The hirer is also responsible for the security of the equipment and any loss incurred if stolen or otherwise. All liability for safe use sits with the hirer, and Better Mobility accept no liability for damage to other persons or properties whilst the equipment is on hire. It is the hirer's responsibility to provide any third party liability on powered wheelchairs or scooters while on hire. Insurance is available to purchase through Better Mobility Limited at extra cost. All equipment on hire must be paid for in advance, including extensions to existing hire dates.

No refund of hire fees will be given for equipment returned before the contracted date of expiry. This equipment will have been secured for your use, and we have committed to keep it available for you for the period requested, regardless of whether it is returned early. If you wish to extend the hire, we will make every effort to enable you to do this, but ask for as much notice as possible, as it may be booked for another customer after your hire expiry date. All extensions of hire must be paid for in full before the expiry of the initial hire.

Deposits are returnable after hire subject to any deductions for damage (paragraph 1). Better Mobility Limited reserves the right to remove any hire equipment belonging to Better Mobility Limited from the hirer's premises without prior notice in the event of a breach of any of these conditions.
