PLEASE MARK TO SELECT AN OPTION

Hereby I consent to the processing of my personal data for the purpose of the order fulfilment for a rehabilitation equipment in accordance with Article 4 Paragraph 11 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)

I am aware of the fact that all dimensions can be provided within the dimensional tolerance of ± 1 cm. A dimensional deviation within this tolerance range shall not constitute a reason to claim the wheelchair and deem it non-compliant with this contract.

Your notes

Technical Data will vary according to the frame dimensions chosen and the way the wheelchair is set up (front and rear wheels). The data in the table refers to a Seat Width of 40 cm and a Seat Depth of 42 cm. All measurements are in centimeters (cm) for distance and kilograms (kg) for weight, unless otherwise stated.
